What's New in STN Express, Version 8.4?

These days everyone is being asked to "do more with less." STN Express, Version 8.4, was designed to help by increasing efficiency in searching and post-processing. The software is free to all STN users.

Learn about the new features by attending the CAS e-Seminar on June 25. Practice what you've learned right afterward in the STN Hands-On Virtual Lab. Register now for these events by visiting the [STN training calendar](#).
