

2012 Price List

STN Express®

STN Express® provides comprehensive desktop access to, and streamlined searching of, a broad range of respected, essential scientific and technical databases via STN®.

**Software
FREE to all
STN users!**

Software Licensing

There is no cost for the STN Express software license. You must agree to the terms and conditions in the STN Express License Agreement before using the software. The STN Express license allows you to install and use the software on any number of machines and at all sites within your organization.

An STN login ID is required to use STN Express. To request an STN login ID, complete and return the STN Agreement and Order Form.

CAS REGISTRYSM BLAST® Pricing (applicable to Version 6.01 and higher)

Conduct similarity searching of protein and nucleic acid sequences in REGISTRY.

CAS REGISTRY BLAST (a fee is charged each time CAS REGISTRY BLAST is used)	\$ 35.15
--	----------

Variable Group (R-group) Analysis Table Tool Pricing (applicable to Version 7.0 and higher)

Create a table for substance analysis that identifies the common structure and variable R-group locations for an answer set of structurally related substances from REGISTRY/LREGISTRY.

Save for R-group Analysis (a fee is charged each time Save for R-group Analysis Wizard is invoked)	\$ 5.00
Fee to display an answer	\$ 2.45

Save Answers for SciFinder® Wizard Pricing (applicable to Version 7.0 and higher)

Conduct a search in CPlusSM, REGISTRY, or MEDLINE®, and save the data for use in SciFinder, a desktop research tool for scientists. Then, a scientist can open the file, review the data in the familiar SciFinder format, and use the full capabilities of SciFinder, e.g., Analyze, Refine, and Save, to manipulate the data.

The STN customer will be charged the STN DISPLAY fee for each record included in a .akx or .str file at the time the file is created. The charges by database, per answer, are:

Database	Price per answer in an .sfr file
CPlus family of databases	\$ 3.71
REGISTRY	\$ 2.20
MEDLINE	\$ 0.27

STN Analyze Wizard Pricing (applicable to Version 7.0 and higher)

Analyze and tabulate data from single- or multi-file search results, and then automatically create a data table and 3-D chart in Microsoft® Excel®.

Standard pricing for use of the ANALYZE command applies for both a one-field and two-field analysis.

When conducting a two-field analysis, standard pricing for the TABULATE command also applies.

Analyze Plus Wizard Pricing (applicable to Version 7.01 and higher)

Analyze and tabulate data from single- or multi-file search results, and create an interactive data cross-tabulation in Microsoft Excel. Also, group related author/inventor names and company names for better analysis and visualization results.

Number of answers	Price
1-1000	\$ 131.00
1001-10,000	\$ 158.95
10,001-50,000	\$ 214.15

On your STN invoice, the cost of the Analyze Plus Wizard will appear as three separate charges that total the appropriate price per use, as outlined above—ANALYZE, TABULATE (per execution), and ANALYZE PLUS.

CAS Registry Number® and Role Report Wizard Pricing (applicable to Version 8.0 and higher)

Create an interactive spreadsheet from either all CAS Registry Numbers or only hit CAS Registry Numbers, and their corresponding CAS Roles, in selected answers.

	Price per record
Fee to display all or hit CAS Registry Numbers from CAS SM , HCA, or ZCA	\$ 0.39
Fee to display all or hit CAS Registry Numbers from CPlus, HCAplus, or ZCAplus	\$ 0.41

Additional Wizards

There is no charge in STN Express to use the wizards listed below. Creating an answer set within STN Express is subject to normal STN charges, e.g., connect hours, search terms, displays.

- Patent Family Manager (Version 8.4 and higher)
- Create L-number from STN AnaVist Wizard (Version 8.3 and higher)
- Evaluate with STN® Viewer™ Wizard (Version 8.2 and higher)
- Display from STN AnaVist Wizard (Version 8.2 and higher)
- Save for STN AnaVist Wizard (Version 8.0 and higher)

For more information, refer to the 2012 STN Price List. Database and software availability, as well as all prices, are subject to change without notice. For the most current information, visit www.cas.org.
