

## 2012 Price List

STN<sup>®</sup> AnaVist<sup>™</sup> is powerful interactive analysis and visualization software that offers a variety of ways to analyze search results from scientific literature and patents, as well as visualize patterns and trends in the research.

### Software Licensing

There is no cost for the STN AnaVist software license (Windows<sup>®</sup> only). You must agree to the terms and conditions in the STN AnaVist License Agreement (available at [www.cas.org](http://www.cas.org)) before receiving and using the software. The STN AnaVist license allows you to install and use the software on any number of machines within your organization at the same physical location.

An STN login ID or an STN Login ID for Shared Projects is required to use STN AnaVist. To request a full-access STN login ID, complete and return the STN Agreement and Order Form (available at [www.cas.org](http://www.cas.org)). If you have an STN login ID and want to request STN Login IDs for Shared Projects for others in your organization, complete and return the STN Login IDs for Shared Projects Request Form (available at [www.cas.org](http://www.cas.org)).

### Answer Set Creation

Answer sets for visualization in STN AnaVist can be created in STN Express<sup>®</sup> or STN<sup>®</sup> on the Web<sup>SM</sup>. Standard STN<sup>®</sup> and STN Express pricing applies. There is no charge to import your answer sets into STN AnaVist.

### Visualization (per visualization)

In STN AnaVist, you pay a flat fee based on the size of the answer set that you visualize:

Size of visualized answer set	Flat fee
2-1,000 (Level 1)	\$265.00
1,001-5,000 (Level 2)	\$570.00
5,001-20,000 (Level 3)	\$975.00

You can conduct subset visualizations, create additional charts, manipulate and edit the visualization data, and re-cluster terms without additional charges.

### Document Display (per document)

One display format is available in STN AnaVist. For additional display options, use the Display Answers from STN AnaVist Wizard or the Create L-number from STN AnaVist Wizard in STN Express.

Database	Fee
CAplus <sup>SM</sup>	\$3.30
EPFULL	\$1.75
PCTFULL	\$1.75
USPAT2	\$2.50
USPATFULL	\$2.50
WPINDEX	\$7.90

## Download CPlus Documents

Fees for the Download CPlus Documents feature is based on two levels:

Size of downloaded answer set	CPlus download visualization fee	CPlus download document fee (per document)
2-1,000 records (Level 1)	\$265.00	\$3.71
1,001-5,000 records (Level 2)*	\$570.00	\$3.71

\* The maximum for this feature is 5,000 documents.

If you choose to visualize in STN AnaVist first and then use the Download CPlus Documents feature, you pay:

- STN AnaVist visualization fee, based on tier (only charged once per document set)
- Per record download document fee

Note: This is the most cost-effective option if you plan, at any time, to return to your visualization project.

If you choose to download CPlus documents without visualizing in STN AnaVist first, you pay:

- CPlus download visualization fee, based on tier
- Per record download document fee

Note: You will be charged the STN AnaVist visualization fee if you later visualize the documents in STN AnaVist.

## Saved Visualization Projects

There is no charge to save an STN AnaVist visualization project for the first 30 days. After 30 days, the charge is \$2.00 per saved visualization project per month. Fees also apply to visualization projects saved under STN Login IDs for Shared Projects.

Database and software availability, as well as all prices, are subject to change without notice. For the most current information, visit [www.cas.org](http://www.cas.org).
