(1) In 1957, the indexing period was changed from 10 years (decennial) to 5 years (collective).

(2) The Subject Index was subdivided into the General Subject and Chemical Substance Indexes beginning with the 9th Collective Index period.

(3) 27-year Collective Formula Index (1920-1946).

(4) In 1981, the Numerical Patent Index and Patent Concordance were merged into the Patent Index.

(5) 10-year Numerical Patent Index (1937-1946).

(6) The Ring Systems Index was discontinued after the 12th Collective Index period.

Note: When the 1st-6th Collective Indexes are purchased as the microfilm or microfiche package, the 27-year Collective Formula Index and the 10-year Numerical Patent Index are included in the package.
