Software Licensing

There is no cost for STN AnaVist software (Windows[®] only).^{1,2} You must agree to the terms and conditions in the STN AnaVist License Agreement³ before receiving and using the software.

The STN AnaVist license allows you to install and use the software on any number of machines within your organization at the same physical location.

Please indicate how many software CDs you need:

- 1 An STN login ID or an STN AnaVist Login ID for Shared Projects is required to use STN AnaVist. To request a full-access STN login ID, please complete and return the STN Agreement and Order Form. If you have an STN login ID and want to request STN AnaVist Login IDs for Shared Projects for others in your organization, complete and return the STN AnaVist Login ID for Shared Projects Request Form. Both forms are available at www.cas.org.
- 2 See the reverse side of this form for hardware and software requirements. You will be charged for nonstandard distribution costs connected with delivery, tariffs, customs, and/or taxes, if applicable.
- 3 The license agreement is available at www.cas.org.
