

Don't just  
create  
a spark.

# IGNITE YOUR POTENTIAL

APPLY FOR THE 2020 **CAS FUTURE LEADERS** PROGRAM.

#### CONNECTIONS

Invaluable networking opportunities with peer scientists and renowned leaders

#### PERSPECTIVES

Inspiration from science-industry thought leaders, entrepreneurs and professional communicators

#### INSIGHTS

Exclusive leadership training and access to the expertise behind SciFinder<sup>®</sup>, the world's premier scientific information solution

Join a group of elite Ph.D. students and postdoctoral scholars from around the world to **blaze a trail toward scientific leadership**. The 2020 CAS Future Leaders program awards early-career scientists with leadership training and a trip to the ACS National Meeting & Exposition, one of the most respected scientific meetings in the world.

Apply by Sunday, January 26 at
