CAS COVID-19 PROTEIN TARGET THESAURUS TERMS OF USE

This CAS COVID-19 Protein Target Thesaurus (the "Thesaurus") is made available to you by CAS, a division of the American Chemical Society (ACS). By accessing or using the Thesaurus, you acknowledge and agree:

- You are granted a worldwide, nonexclusive, nontransferable, revocable, limited license to access and use the Thesaurus for research purposes related to COVID-19 subject to these Terms of Use (the "Terms").
- The Thesaurus, whether in whole or in part, may not be sold, used or otherwise distributed for commercial gain.
- If you fail to use the Thesaurus in accordance with these Terms, the license granted to you is automatically revoked.
- You will comply with all local, state, national, and international laws and regulations applicable to your access and use of the Thesaurus.
- Distribution of the Thesaurus shall include the following statement: "Redistributed with permission. Copyright © [Insert Year] the American Chemical Society (ACS). All rights reserved."
- The Thesaurus is provided "AS IS", WITHOUT ANY WARRANTIES OF ANY KIND. CAS DOES NOT WARRANT ACCURACY OR COMPLETENESS AND IS NOT RESPONSIBLE FOR ERRORS AND OMISSIONS IN THE THESAURUS. You will indemnify and hold CAS/ACS harmless from and against all claims, expenses and damages resulting from your violation of these Terms.
- The copyright and title to all property interests in or to the Thesaurus are in, and will remain with the CAS/ACS as owner. These Terms do not grant you any right of ownership.
