In addition, the CAS Information Use Policies state that limited sharing of information within one's company is permitted, provided that you display an ACS copyright notice ("Copyright (current year) by the American Chemical Society") conspicuously at least once on each packet of information distributed; PLEASE READ THE CAS INFORMATION USE POLICIES FOR ADDITIONAL SPECIFICS.

Except as otherwise provided in the CAS Information Use Policy, any distribution of CAS information outside of your company, including for commercial resale, is prohibited. Any other use of CAS information outside the scope of the guidelines is prohibited unless other agreement is reached with CAS.

When Client Services output contains information from third party database suppliers, the use of such information is governed by any applicable terms and conditions of the third-party database suppliers. The CAS Information Use Policies are subject to change from time to time at the discretion of CAS.
