If Licensee has purchased a separate perpetual license for ChemZent® content, then the ChemZent terms at www.cas.org/legal shall continue to apply to Licensee's ChemZent access and, in the event of a conflict, such ChemZent terms shall supersede these Terms of Use solely with respect to Licensee's ChemZent access.

3. **TERM.** The initial Term of this License shall be as set forth in Licensee's initial Order. This License shall automatically renew for a term equal to the immediately preceding Term. CAS will provide Licensee with renewal License Fees in writing at least sixty (60) days prior to the end your initial term and each subsequent Term. CAS' intent is to provide Licensee with subsequent renewal fees consistent with the standard Product price increase provided to all Product customers. This assumes that Licensee's current usage and user population do not change significantly during the current Term. If this change does occur, CAS will work with Licensee in good faith to determine a mutually agreeable License Fee for any renewal Term. License Fees are based upon current Product feature functionality. Should CAS develop additional feature functionality or Product modules during a Term, CAS, in its sole discretion, will decide whether to provide Licensee with such additional functionality and may require the payment of additional fees.

- b. **Authorized Use.** Named Users may:
 1. Use the Product solely in the ordinary course of Academic Research;
 2. Store search results in electronic form, provided that at any one time, no more than 5,000 records are stored by a Named User;
 3. Search only for themselves; and
 4. Share their search results in a reasonable, limited way with other Named Users working on the same or related research projects; provided, however, such sharing may not result in: an aggregation of the electronic records stored by individual Named Users, or the creation of any central source of electronic records.

Stored records must be deleted when they are no longer needed by the Named User for the relevant research project, or, if a student, after the completion of Named User's degree program, whichever occurs first.

CAS may ask the Key Contact and the Named User(s) involved to discuss with CAS any usage pattern(s) CAS questions and, if necessary, work with CAS to reach a solution if a problem is uncovered.

If CAS determines that use is excessive or violates the Terms of Use, CAS may (i) de-activate Username(s) at issue and bar the Named User(s) associated with such Username(s) from using the Product, or (ii) terminate the License in its entirety. CAS prefers to resolve these types of issues with Licensee without de-activating Usernames or terminating the License in its entirety and will use reasonable efforts to do so.

For the purpose of this section, "excessive" shall include (i) use, search activity, downloading and/or exporting that is materially greater than, or different from, typical use patterns of searching, downloading or exporting, and/or (ii) activity that is indicative of an otherwise manual process being automated.

A Named User may not utilize the Product's export functionality during the pilot. Export permissions are only granted to Licensees purchasing a Product subscription license. Unless Licensee purchases a Product subscription license prior to the conclusion of the pilot, Named Users must destroy all content accessed in, and through, the Product.
