

STN[®] Search Service Value Pricing License Agreement

This STN[®] Search Service Value Pricing License Agreement (the "Agreement") is entered into by and between CUSTOMER and The American Chemical Society through its CAS division as operator of the STN[®] International STN Service Center ("STN").

THE PARTIES, INTENDING TO BE LEGALLY BOUND, AGREE AS FOLLOWS:

1. PURPOSE OF AGREEMENT.

This Agreement covers financial and related arrangements for CUSTOMER's use of all STN files, features and services available during the term of this Agreement, with exceptions as listed herein.

2. TERM AND TERMINATION.

The initial Term of this License shall be as set forth in the Order. Neither party may terminate this Agreement for the sake of convenience.

In the event of a breach of this Agreement by CUSTOMER, CAS may provide notice of such breach. Upon receipt of such notice, CUSTOMER will cure such breach within 30 days. If CUSTOMER fails to cure the breach within the 30-day period, CAS may terminate this Agreement immediately, and CUSTOMER is responsible for all payments as set forth in this Agreement. CAS may temporarily suspend access to one or more login IDs during the breach period.

3. LICENSE FEES.

License Fees and invoicing for CUSTOMER's initial Term are set forth in CUSTOMER's Order.

CUSTOMER may not change the type of currency during the term of this Agreement. CUSTOMER will pay all invoices according to the STN invoice terms and must be paid via the following methods: check (drawn on a USA bank or branch of a USA bank), wire transfer, Automated Clearinghouse (ACH) transfer, or Electronic Data Transfer (EDT) in formats CTX or CTPNACHA. CUSTOMER shall be responsible for any applicable taxes under this Agreement.

4. LICENSE.

CUSTOMER is entitled to receive access to all Files and Features, except those specifically excluded in Paragraph 7, for use at CUSTOMER sites identified in the Order, subject to the usage caps set forth in the order.

You will receive monthly usage reports. In the event you exceed one or more of your caps, we will contact you to discuss a contract update with a potential supplemental fee.

Search Service Value Pricing is dependent on CUSTOMER maintaining current or previous subscription levels to certain databases if applicable, as well as information provided by CUSTOMER during Search Service Value Pricing discussions. If subscriptions are cancelled during the life of this contract or key usage

parameters discussed with CUSTOMER change, CAS and CUSTOMER agree to timely renegotiate this contract in good faith.

All searching under this Agreement shall be for the exclusive benefit of CUSTOMER Eligible Sites identified in the Order. CUSTOMER shall not perform any searching under this Agreement for the benefit of any other CUSTOMER Eligible Site.

For purposes of this Agreement, a CUSTOMER Eligible Site must be in the control of CUSTOMER and greater than 50% owned by CUSTOMER. Further, CUSTOMER agrees and warrants that all applicable CUSTOMER Eligible Sites are greater than 50% owned by CUSTOMER. Should a change in ownership occur at an Eligible Site in which CUSTOMER no longer controls or owns greater than 50% of the Eligible Site, CUSTOMER will notify CAS in writing within 30 days of the change in ownership. Regardless of notification to CAS by CUSTOMER, the Eligible Site will automatically become ineligible for the pricing benefits provided under this Agreement, and will be subject to a separate price assessment that covers the period beginning with the time of change in ownership.

5. PRICE ASSESSMENT, CONDITIONS AND CURRENCY.

The price for use of STN under this Agreement is based on historical usage and an assessment of future usage as known and agreed between the Parties at the time of the assessment. If assessed parameters change during the term of this Agreement leading to a significant increase of usage, CUSTOMER is obliged to inform CAS immediately. Such parameters include, but are not limited to, the intention to transfer usage from other commercial vendors or products, the addition of sites, mergers and acquisitions. A possible re-assessment of the price will be carried out in good faith.

6. INCLUDED FILES AND FEATURES.

This Agreement covers the use of all STN Files and Features subject to availability, except for those excluded in Paragraph 7. Any new File and/or Features added to STN during the term of this Agreement will be covered by this Agreement, with exceptions at the discretion of CAS.

16. ENTIRE AGREEMENT.

This Agreement, the Order, and the applicable individual agreements that CUSTOMER has entered into with CAS or FIZ Karlsruhe – Leibniz-Institut für Informationsinfrastruktur GmbH ("FIZ Karlsruhe") related to STN, are the entire understanding between the parties concerning the subject matter hereof, and supersede all prior representations and agreements, oral or written, related to purpose of this Agreement (§1), and may not be modified unless in writing signed by authorized individuals of both parties. A fully executed copy of CUSTOMER's Order shall have the same legal effect as an original.

Any conflict between the Order and this Agreement shall be resolved in favor of the Order. Any conflict between the terms of this Agreement and the terms of any such applicable individual agreements presently in place upon the signing of this Agreement for the included Files will be resolved in favor of this Agreement. If CUSTOMER uses a purchase order in conjunction with ordering or paying for its STN Search Service Value Pricing access, the parties agree that the terms of the purchase order will in no way modify, add to, or delete this Agreement. ANY DISCREPANCY BETWEEN CUSTOMER'S PURCHASE ORDER(S) AND THIS AGREEMENT WILL BE RESOLVED IN FAVOR OF THIS AGREEMENT.

17. IMPOSSIBILITY OF PERFORMANCE.

To the extent that either party may be precluded by a force majeure event, authority of laws, strikes, lockouts, casualties or other causes beyond its control from performance hereunder, such non-performance will be excused to the extent that it results from such causes and will not give rise to any claims for damages by the other party.

18. AUTHORITY.
